OVERVIEW

Travel assistance services from **RedpointWTP LLC** – Helps when unexpected and costly events happen on the road. Travel assistance services provide all active U.S. employees covered under the group life insurance program, and their spouses and dependents, with 24/7/365 access to emergency assistance, and transport services when traveling 50 or more miles away from home for up to 180 days. Online pre-trip resources are also available.

Services are available to employees who enroll in Term, GUL, and/or Voluntary AD&D plan

MEDICAL EVACUATION SERVICES:

- Pre-hospital assistance
 - Redpoint will coordinate, but not pay for, emergency transportation services to a clinic or medical facility if the traveling member needs to be hospitalized and contacts Redpoint prior to hospitalization
- Nearest appropriate
 - Redpoint will provide, arrange and pay all necessary and ordinary expense for air, and/or surface transport for a hospitalized traveling member to the nearest appropriate medical facility, as identified by Redpoint, if the traveling member is administered to a facility that cannot provide adequate care, as determined by Redpoint in consultation with the local attending physician. Up to \$500,000.
- Medically necessary repatriation
 - Following an illness or accident requiring a traveling member to obtain further medical treatment or to recover, if medically necessary, Redpoint shall arrange and pay for repatriation of the travel member. Transport can be to a home or medical facility close to home and based on the nature of the patient's condition. The means and timing of the transportation, and its medical necessity shall be made by a physician designated by Redpoint after consultation with the traveling member's attending physician. Up to \$500,000
- Mortal remains repatriation
 - Redpoint will provide, arrange, and pay for reasonable expenses related to transporting a traveling member's mortal remains from a morgue or hospital to a morgue, funeral home, or mortuary designated by a family member and within the United States. Up to \$500,000.
- Return of dependent children
 - If a traveling member is medically evacuated by Redpoint and hospitalized, Redpoint will arrange and pay the commercial airfare for the return of dependent children to the permanent home residence, if such dependent children would be left unattended. Up to \$5,000 in aggregate.
- Family member visitation
 - If a traveling member is medically evacuated and hospitalized for more than 7 days, Redpoint will arrange and pay for the commercial airfare for 1 direct family member to visit the traveling member. Redpoint will also assist with hotel and ground transportation if requested (cost paid for by family member). Up to \$5,000.
- Transportation of Travel Companion
 - If a traveling member is medically evacuated and hospitalized, Redpoint will arrange but not pay for the transportation for 1 travel companion to the same hospital destination as the traveling member.
- Pet Return Services
 - If a traveling member is medically evacuated and hospitalized, Redpoint will assist with but not pay for returning domestic pets, which are owned by the traveling member, to the permanent home residence.
- Rental Vehicle Assistance
 - If a traveling member is medically evacuated by Redpoint and hospitalized, Redpoint will provide up to \$500 of service toward rental vehicle return to the closest rental facility.
- Dispatch of Physician
 - If a traveling member is medically evacuated by Redpoint and hospitalized, Redpoint shall arrange and pay, is Redpoint determines it is medically necessary, for the dispatch of a physician to assist in the assessment and care of the traveling member. A determination of medical necessity shall be made by a physician designated by Redpoint after consultation with the traveling member's attending physician.
